

THE HARMONS

SERVING IN TANZANIA

I am come that they might have life, and that they might have it more abundantly. John 10:10b

Dear Pastor and Church Family:

Thank you for your dedicated service to our Lord Jesus Christ. My wife and I are excited about the opportunity to share our burden for Tanzania, East Africa with your church. Enclosed is some information that I trust will help you get to know us and the work God has called us to do.

How do we share our hearts with you about people we briefly met and a place we just visited? It honestly began here, in Michigan, with lost people we love. God has placed in our hearts and lives people who do not know Him. We have worked with some amazing, kind and wonderful people but many of them do not have a personal relationship with Christ. God has directed many conversations to center around Heaven, Hell, Christ dying and taking our punishment. Friends and coworkers have told us they just wished they had the faith to believe. We witnessed this from so many hearts. Our close family, children in our church ministry, coworkers, people we pray and beg God for daily, still reject Christ's payment for their sins. Individuals that weigh so heavily on our hearts that it feels overwhelming sometimes. So why go to Tanzania when so many here need help? Simply put, God has called us to serve Him by planting churches there. The same consuming burden we have for our unsaved family, God has given us for the people in Tanzania, East Africa. We are excited to share all of this and more with your people.

As of September 25, 2018, we are at 65% support and we praise God for continuing to provide. Enclosed you will find our prayer card and brochure which includes our testimonies, calling, field and ministry information. You can always visit our website for even more information including our video (www.harmons2tanzania.org). Thank you for your interest in the work God has called us to do. If we can ever be of any service to you, feel free to call us at 810-399-8845.
